

Green Party Councillors: Working Hard for Ramsgate

LITTER PICKING BY THE HARBOUR

On a lovely Sunday morning, Thanet Green Party was out in force for the Ramsgate Society's community litter pick. Good to see support from other local groups, individuals and even the constabulary.

We hauled in what we could: bottles and glasses, cigarette ends, crisp and sweet wrappers, drinks cans and the occasional coin were among the new-found treasure. The Sunday morning Ramsgate crowd were thankful and jolly, adding more good humour to it all.

CELEBRATING NEWINGTON

Local area hits the national press

We were delighted to see the achievements of Newington's community recognised nationally in the 'New Statesman' magazine recently. The article charts Newington's turn-round from a place with a 'terrible reputation' to 'a little garden state' where residents have made positive change happen. But Newington is still often a forgotten part of Ramsgate.

Katie Gerrard, Thanet Green Party's Ward Rep for Newington, says; "As a resident, I'm proud to see our community's successes recognised, but I'd like to see more practical help from our Councils to improve residents' lives too – such as sorting out our often forgotten roads and community spaces, for example."

BECKY ASKS:

"Another lockdown – how are you doing?"

"A second COVID lockdown is hard for everyone, but if you're struggling, please don't suffer alone."

"SHOUT is a new 24/7 text service, free on all major mobile networks, for anyone in crisis anytime, anywhere. It's a place to go if you're struggling to cope and you need immediate help. Text 85258."
