

# BOW GREEN NEWS

## SPRING UPDATE

### COMMUNITY SAFETY A PRIORITY

Residents voiced their concerns to Tower Hamlets Police and Safer Neighbourhood Team at the first 'ward panel' community safety event in two years on 2 February. Green Party Councillor Nathalie Bienfait joined a walkabout to local crime and antisocial behaviour (ASB) hotspots, and chaired the successful meeting where residents met local enforcement agencies and key officers to discuss solutions to the problems.

All Bow West residents are invited to attend the next ward panel on 13 April, 6:30pm at Epainos Ministries NTCG Church E3 5AU (Lichfield Rd entrance).

### DOG MESS CLEANED UP

Residents hate to mention this unpleasant subject, but many of you are reporting an epidemic of dog mess on our pavements. Nathalie has responded by getting specific problem areas cleaned up immediately by the Council's cleansing team. She also arranged a recent visit from the Council's dog warden team who handed out free bags and reminded dog owners to always clean up after their beloved pooches. Green Party volunteers also restocked our popular dog mess bag dispensers at hotspots around the ward. In future, the council is investing in mobile CCTV to catch and fine the minority of owners who don't pick up after their dogs.
